Philippine Atmospheric, Geophysical and
Astronomical Services Administration (PAGASA)
PAGASA Science Garden, Agham Road, Diliman, Quezon City 1100

24 August 2018

DIR. DOMINGA D. MALLONGA

Regional Director
Department of Science & Technology - Region XIII
109 T. Calo Extension , 8600 Butuan City

Dear **Dir. Mallonga**:

We are pleased to inform you that the PAGASA is currently implementing the project entitled "**Optimization of the Operational Capabilities of Hydromet Sensors in Line with International Standards for Effective Weather, Flood Warning, and Application to Research (Optimization Project)**" which aims to maximize all the equipment and related facilities installed by previous projects. This enables more efficient maintenance, calibration, and data acquisition that will conform to the highest standards of hydro-meteorological observations. This project involves previous implementing agencies such as DOST-ASTI and DOST Regional Offices together with the PAGASA Regional Services Division.

In line with this, we would like to invite you or your designated representative to the **1st Optimization Project Quarterly Meeting and National Summit** which will be held on **24-25 September 2018 (Tuesday & Wednesday), at the Waterworld Resort, Datu Sumakwel Street, Alta Tierra Village, Jaro, Iloilo City.**

Kindly refer to the following schedule for your reference:

Day 1 (September 25) – Quarterly Meeting and National Summit
Day 2 (September 26) – Tour to PAGASA Iloilo Radar and River Center

Please fill-up the attached form for your confirmation. For any inquiries relative to this event, please contact Ms. Jhoanna Marie Z. Dalida, Project Assistant IV, at (+63)9055733429 / (02)926-5060 or via email at jhoannadalida.pagasa@gmail.com.

Thank you as we look forward for your participation in this upcoming activity.

Very truly yours,

VICENTE B. MALANO, Ph. D.
Administrator
